

# FISCAL NOTE

## SJR 599

April 3, 2000

**SUMMARY OF BILL:** Urges the inclusion of \$11 million in the budget for home and community based services under the TennCare program and \$5 million for services to persons not eligible for TennCare.

### ESTIMATED FISCAL IMPACT:

**Other Fiscal Impact - Minimal as written because the resolution urges, but does not mandate these programs. For information purposes if these programs were implemented the estimated fiscal impact would be \$16 million in increased state expenditures and \$19.234 million in increased Federal expenditures.**

The Governor's current budget proposal contains \$11,000,000 in state funding and \$19,234,300 in Federal funding for funding a Medicaid long term care waiver providing home and community based services.
